

## DESIGNER EYEWEAR

ELITE VISION is your upscale source of designer ophthalmic eyewear and sunglasses. Our dispensary features a tremendous selection of over 900 frames to provide you with the opportunity to find exactly what you're looking for. All our frames come with a performance guarantee to ensure your total satisfaction and include a lifetime of adjustments at no cost. We have partnered with eyewear companies featuring performance and fashion eyewear to meet your vision demands and help you look your best.

Our extensive selection of sunglasses features performance and designer options. In Colorado with greater than 300 sunny days each year and living a mile above sea level, we are subject to increased harmful UV exposure. Sunglasses are a key component to protecting the health of your eyes and the delicate skin around the eyes. Elite Vision will custom fit sunglasses to provide you with optimal protection and enhance your performance for all your outdoor activities including: cycling, fishing, golfing, hiking, hunting, motor sports, running, and tennis, among others. Below are a few of the designer collections we offer.
